DEFINITIONS

I. General: This policy in conjunction with NGR 600-7 prescribes eligibility criteria, procedures, and standards for administering the ARNG SRIP for Fiscal Year 2017 (FY17). This policy will supersede all previous SRIP policies, guidance, instructions, Montgomery GI Bill-Selected Reserve (MGIB-SR) Kicker policies and Education Incentive Operation Messages (EIOMs) except for EIOMs published after the effective date of this FY17 SRIP and their applicable references. Any updates or changes to this policy will be published as EIOMs. This policy, EIOMs and previous policies are posted in the G1ARNG portal at <https://g1arng.army.pentagon.mil/Policies/EIOM/Pages/Default.aspx>. Although the ARNG attempts to list all eligibility requirements within the SRIP policy, additional requirements may be found in NGR 600-7. Any discrepancies will be provided to ARNG-HRM-I for dispositioning or additional instructions.

II. Requirements:

1. System access. One of the management tools critical for administering the ARNG SRIP is GIMS. Each GIMS user must request either a non-privileged National Guard Bureau (NGB) or State viewer level account or a State Administrator or Incentive Manager (IM) privileged level access account. All users of GIMS are required to complete initial Information Assurance (IA) awareness orientation as a condition of access and thereafter must complete annual IA refresher awareness. Personnel who are not appropriately certified within 6 months of assignment to a position, or who fail to maintain their certification status, shall be reduced to non-privileged level. The State IA Manager will retain training completion certificates for all users within his or her domain to include ensuring all required recertification.

2. Privileged Level Training Requirements. The training courses below meet the requirements for privileged level access to GIMS. Though the Comptroller's Accreditation and Fiscal Law Course is highly recommended, Fiscal Law course with issuing certificates that are JAG lead or performed by the Comptroller or USPF&O will be accepted for meeting the recertification requirement. Certificates are valid up to 3 years from date of award.

(a) Comptroller's Accreditation and Fiscal Law Course, Distributed Learning (DL). Length: 40 hours//Self-paced. Enrollment and training information: <https://jagu.army.mil>.

(b) Incentive Manager Course, Phase 1, DL. Length: 55 hours//Self-paced. Enrollment and training information at email: incentives.trng@ng.army.mil.

(c) Incentive Manager Course, Phase 2, Resident. Length: 40 hours/5 days. Enrollment and training information at email: incentives.trng@ng.army.mil.

(d) GI Bill Manger Course, Resident. Length: 40 hours/5 days. Enrollment and training information at email: arng.esc@mail.mil.

(e) Education Services Officer Course, Resident. Length: 40 hours/5 days. Enrollment information is available at: <http://www.pec.ng.mil/>

3. Individuals requesting Education Service Officer (ESO) privileged level access must complete requirement (1) and (2) and upload the completed certificates to GIMS prior to gaining access. Additionally, the individual must complete requirements (3, 4 and 5) within 6 months of the date of privileged level access approval or his or her access will be suspended.

4. Individuals requesting IM privileged level access must complete requirement (1) and (2) and upload the completed certificates to GIMS prior to gaining access. Additionally, the individual must complete requirement (3) within 6 months of the date of privileged level access approval or his or her access will be suspended.

5. Individuals requesting GI Bill (GI-P) privileged level access must complete requirement (1) and upload the completed certificate to GIMS prior to gaining access. Additionally, the individual must complete requirement (4) within 6 months of the date of privileged level access approval or his or her access will be suspended.

6. Further, the NGB is developing a recertification course that each IM/ESO will be required to complete annually after completing the IM Course. Individuals who do not become recertified annually will have their GIMS access rights revoked until this has been completed and verified by the proponent, Incentives Support Team (IST), located at the National Guard Professional Education Center (PEC), Camp Joseph T. Robinson, AR. For future auditing purposes, each State ESO is responsible for maintaining copies of all training certificates for each person with privileged level access for his or her State.

(b) If the date of entitlement is after the Soldier’s date of death, the IM must submit an ACR requesting that the dates of entitlement for all payments due after the Soldier’s date of death be changed to the day before the date of death. Once the ACR is approved, the IM must submit the payments in GIMS with the processing method “OOS” with a comment that the payments are due to the death of the Soldier.
